EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Jay F. Moldovanyi on 3/31/06.

The application has been amended as follows:

In the claims:

Claim 1 (currently amended) A frame assembly for at least partially enclosing an associated raised floor structure, said frame assembly comprising:

a bottom frame member positioned adjacent the associated raised floor structure;

a pair of spaced apart side frame members connected to and extending upwardly from said bottom frame member;

a top frame member spaced from the bottom frame member, and connected to said pair of side frame members;

at least one picket extending between and connected to said top and bottom frame members, said at least one picket being oriented approximately parallel to said side frame members;

wherein at least one of said bottom frame member and said top frame member includes spaced holes for receiving opposed ends of said at least one picket for connection thereto; and

a screen selectively mounted to at least one of said top and bottom frame members, and said side frame members, said screen extending over said at least one picket.

Claim 5 was canceled.
